

Dear Applicant

Thank you very much for your enquiry about this very important post to the Academy. We are seeking to make an appointment for 2nd In Charge of Maths to one of our key departments. This post will suit an outstanding practitioner who is ambitious for themselves and for their students, who is focused on learning and student progress, passionate about their subject and keen to develop their career further.

There are many benefits to being part of Harris Girls' Academy East Dulwich. The Harris Federation of Academies has a strong reputation; there is a partnership with colleagues from the other federation schools, good personal benefits as an employee of Lord Harris and many opportunities available to you and your students beyond the norm.

I have been in post as Principal for two years and we have been working hard to become outstanding. Our results are rising significantly, we are close to completion on a multi million pound building programme including a vast upgrading of our ICT provision, we are in the midst of innovative curriculum development and our specialisms in Sport, Health Sciences and Enterprise, are strong. This is the perfect time to be considering joining our team!

The following documents are enclosed to support you in your application:
