The right under the Freedom of Information Act (FOI) and the Environmental Information Regulations (EIR) to request information held by public authorities, known as "the right to know", came into force for Academies on 1st January 2011.

Fee Regulations

The method of calculating charges within this policy is in accordance with the Freedom of Information and Data Protection (appropriate limits and fees) Regulations 2004.

Estimating the costs of processing requests; (section 4(3) of the FOI regulations)

When estimating the cost of complying with a written request for Information, the Federation will take into account the staff time involved in the following activities:

- Determining whether the information is held.
- Locating the information or a document that may contain the information.
- Retrieving and extracting the information, or a document that may contain the Information.

The cost of the above activities will be calculated by applying an hourly rate of £25 per person, (section 4(4) of the FOI regulations.)

When calculating the costs to process requests, the Federation cannot take account of the time taken to consider whether information is exempt under the Act.

Where the cost to process a request is below £450

Where the cost of complying with a written request for information is estimated to be below £450, there will be no charge unless the disbursement costs (printing copying and postage) exceed £5. Where disbursement costs exceed £5, the applicant will be issued with a fees notice and must pay the costs within a period of three months before the Federation can comply with the request. Disbursements costs applied by the Federation are shown below.

In accordance with the Freedom of Information and Data Protection (appropriate Limits and Fees) Regulations 2004, the Council is not obliged to respond to a written request for information, where it estimates that the cost of complying with the request would be in excess of £450 (which equates to 18 hours of work at £25 per hour).

- Staff costs (£25 per hour) involved in determining whether the Council holds the information.
- Staff costs (£25 per hour) of locating, retrieving and extracting the information.
- Disbursement and staff costs (£25 per hour) incurred in informing the applicant that the information is held.
